GSP 600

Professional Noise-Cancelling Gaming Headset

Sennheiser's new GSP 600 is the ultimate professional gaming headset delivering high-quality sound for a thrilling performance. When you take your gaming seriously, performance matters. When split-second reactions make the difference between winning and losing, precision is essential. With the new GSP 600 you can now enter a new era of competitive gameplay.

FEATURES & BENEFITS

- German-engineered Sennheiser speakers ensure exceptional audio clarity
- Advanced noise-cancelling broadcast quality microphone for crystal-clear communication
- Closed acoustic design, ergonomic ear pads and advanced hinge system for excellent passive noise attenuation
- Adjustable contact pressure function on the headband provides a customized fit on different head sizes
- Automatic microphone mute by raising the boom arm
- Intuitive volume control on the right ear cup for on-the-fly adjustments
- The suede-like ear pad material keeps the ears cool and does not stick to the skin
- The solid metal hinge and high-quality materials ensure outstanding durability
- Exchangeable parts – spare ear pads, cables, and cover plates
